

WARNING!!! ANONYMOUS HEAVILY INFILTRATED BY THE FEDS

REMEDY→STAY NONVIOLENT, EXPOSE AND DOX THOSE WHO ARE TRYING TO TURN ANONYMOUS INTO A REVOLUTIONARY MOVEMENT FOR VIOLENT OVERTHROW OF THE GOVERNMENT

1. You will need to view this document on a computer or a tablet, a phone will not work.
2. We know that the doc seems long (most of the room is taken up by screenshots), but it is CRUCIAL, for your safety, that you read the entire thing before moving forward with the Op. You can not know what you're getting into, unless you read it all. Everything is linked to everything else.
3. No, this is not the typical way that we share Ops, but most ops don't require screenshots as proof as to what this is.

Brothers and sisters, we have been infiltrated like we have never been before. The feds have permeated into every single group, every single page, and every single chat we have, and have even created some Anonymous pages of their own. Since starting this Op, those of us who have been working on it have had people trying to access our emails, bank accounts, facebook accounts, computers and phones. We have been followed, watched, and threatened. This is the most massive and potentially dangerous Op we have ever run. If that scares you, walk away now. If you are still reading this, welcome to #OpExposeNLM/765

There are two main groups NLM (National Liberation Militia) and 765 movement. The origins of these groups, and how they became groups run by feds are detailed below. They snuck in quietly, and started a very heavy recruiting process of anons. Their intention is to destroy us on every level we work on, and have the plans to do so.

If you have questioned why there has been an insane amount of infighting recently, this is why. They are trying to destroy anons that were too smart to be subject to their Psyop recruiting tactics. Those that were recruited are referred to as cannon fodder.

We have found people that were considered to be truly trusted anons, involved in this. Question everything. Once you go down the list, check your mutuals with every single NLM officer. You will

start to see a disturbing pattern. Question everything. Although, do be aware that these groups contain over 7,000 members. The vast majority of the people in these groups are anarchists, militia, survivalist. There isn't a damn thing wrong with that, and these people have NO idea what they are involved in. After all, they were recruited. What this means is don't go after someone simply because you see a name. Do some research. This isn't about causing in-fighting, this is about getting rid of the fed scum that have successfully permeated the collective. While we have a massive amount of names that are involved in these groups, the only names that have been revealed are of those that have been confirmed.

They have two plans known to us. One is their Halloween Mayhem Op. They are recruiting people that are more than happy to create violent chaos, and take to the streets Halloween night, with guns. The orders are to randomly shoot innocent people (if you think this sounds implausible, they have successfully done it before, details below) , tear down atms and surveillance cameras, and actively riot against police....ALL IN THE NAME OF ANONYMOUS. Our masks, our name. They say that the children of those that choose to carry this out, will be armed as well, and the innocent children on the streets are collateral damage, and that it is perfectly fine to use these children as human shields against gunfire of the police.

Still reading? Good, it gets worse. Their second operation is planned for November 5th, that's right, the Million Mask March. There are NLM ground troupes in every city across the nation. Their plans are to storm every city hall that Anonymous will be marching in front of, and storm them, using Blac Block tactics. If you don't know Blac Block, now would be a time to read up. In Washington, they plan on storming the capitol building. They will be doing this wearing the mask. No agent or officer would be able to tell the difference between the protestors and the NLM. Massive Anonymous lives and innocent bystanders will be lost and the idea, maybe irreparably, destroyed..

If you take the word of the ex NLM officer contacts that we have, the purpose of this is to blame home grown terrorist attacks on Anonymous. The end game being inciting martial law and ruining Anonymous for good. No more Anonymous, no more problems. Nobody left to think, question, and push back against the system.

Have you seen one of the most recent Anonymous videos going around, calling for a massive hack on Nov 5th? That was written by Geoffry Librom. He is an NLM officer and coordinator of the MMM op. So, since a lot of those that hax, don't like taking to the streets, this is the second wave of taking down Anonymous. Their op works both IRL and virtually.

Anybody who decides to move forward with OpExposeNlm/765, MUST read all of the intel below. There is absolutely no way to proceed with any safety without all of the information. These groups and accounts are giant honey pots. Tread lightly and not alone.

They think they will use our name for violence. They think they will use our name to incite the second American Revolution, on their terms. They think they know us. They think they can infiltrate us, without us knowing it. They think they finally have us. What they didn't think, was that they should have expected us. NOW LET'S GO SHOW THESE MOTH3RFUCK3RS WHO WE *REALLY* ARE!

We Are Anonymous

We Are Legion
We Do Not Forgive
We Do Not Forget
Expect Us!

FATE WHISPERS TO THE WARRIOR,

AND THE WARRIOR WHISPERS
BACK, "I AM THE STORM."

Origins of 765/NLM

Following information taken from police reports and news articles:

Bradbury was arrested after he claimed to lead an armed group called "765 Anarchists" with members "willing to die" in attacks on Greater Lafayette law enforcement personnel and property. Bradbury's threats included naming two police officers and two judges, he threatened to bomb the Tippecanoe County Courthouse, claiming his death-ready militia of anarchists were ready. At the time of his arrest, two improvised explosive devices and chemicals to make the explosive chemical thermite were found during a search of Bradbury's home in West Lafayette, Ind. He said Lafayette natives Jerad and Amanda Miller, who killed two police officers and a civilian in Las Vegas on June 8, 2014 took their orders from his group.

Bradbury identified a "buddy and comrade" by the nickname "Ant" (Anthony Gonzales) in the post, claiming the two are "part of a much larger plot that we've been forming for years to kill cops in the local area."

The new superseding indictment, filed on May 14, 2015 now charges him with making threats to use fire or explosives and, in a second count, of maliciously conveying false information concerning the use or fire or explosives. The 23-year-old Indiana man remains in federal custody without bond, deemed a flight risk and a danger to the community. As of June he was found guilty and remains in federal custody, with a third charge pending.

Timeline (2014)

June 8: Lafayette natives Jerad and Amanda Miller kill two Las Vegas police officers and a civilian.

June 19: Samuel Bradbury, 22, of Pine Village claims affiliation with the Millers and comrade "Ant" through a local, armed group called "765 Anarchists."

June 21: Bradbury is arrested for allegedly making death threats.

June 24: Anthony Gonzales, 25, of Lafayette creates a group on Facebook called "765 movement," expressing anti-law enforcement and racist ideas.

June 2015: Found guilty of two felonies, with a third pending.

Samuel Bradbury, cofounder of 765 Anarchists

Anthony Gonzales: never charged, but after denouncing his own comments on the post in 765 Anarchists, that got Samuel Bradbury arrested, one week later he started 765 movement, and started attracting cop haters and anarchists. He is ONLY friends with Ethan's profiles (real name and alts), Dan Jongsma, and Janet Leigh. Do the math. <https://www.facebook.com/profile.php?id=100008945583626&sk=friends&pnref=lhc>

 Fuck Yeah! A great day, Nothing feels better then when you have your hands wrapped around some bodies neck. To watch them convulse and frail around not knowing at first why they are in that position. Quickly they realize and remember why. You can almost see that their life is passing before their eyes. They fight to get back the supreme control that they had just moments earlier. What happened? Why didn't I listen? Why did I drop my guard?... They come close to passing on and give up the fight and begin to accept their fate. So I let go as they frantically gasp for breathe. At that moment you remind them of the fault that wound them up in that status. Tell them how to

right and begin to accept their fate. So I let go as they frantically gasp for breathe. At that moment you remind them of the fault that wound them up in that status. Tell them how to remedy the situation and let them know next time you won't let go. The power they once felt is stripped from them completely. Now, on the flip side it would be easy for yourself to absorb that energy and use it for yourself and your own means. This is the conundrum. Just simply say NO! I AM better than the P.O.S. and that is all... Anyways, I got a brand new sawed off 12g police issue semi-auto Mossberg for my trouble... Good day indeed...

Ezra Bane (profile just taken down) and Ezra Florida (profile taken down)

Tyler Larsen <https://m.facebook.com/tyler.larsen.7773?tsid=0.36688638431951404&source=typeahead>

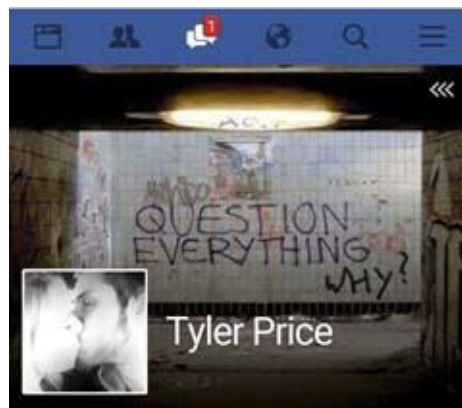

Mugshots for Tyler Hans Larsen (alt Ethan Allen) Oddly in all three arrest reports from three different states, the weight stat, down to the pound (weight fluctuates) over years, and the second mugshot was used in arrest reports, for two different states, which is not legal, or logically possible. A new mugshot is taken for every arrest, and departments do not share mugshots. Also, his current age, not arrest age, on each police report, do not match each other. His "current" age ranges from 34 to 37 to 42. These appear to be fabricated documents.

The initial line of intel led us to believe that Samuel Bradbury and Anthony Gonzales are fed informants, and not the face of, but behind all of the online alts of Ethan Allen, and the Ethan Allen that people meet in person, being an undercover fed. (We refer to him by this name, and not Tyler, because it is the name he is best known by) This is still entirely possible, but is not likely. What we do know is that the Bradbury and Gonzales started 765 Anarchists, after Bradburys arrest, Gonzales started 765 Movement, which is admittedly monitored by law enforcement, and from that sprang NLM which is a wholly run by the FBI, and is a giant honeypot for militia, ex military, anarchists, and anons.

Tyler Price (May be Ethan, but not confirmed)

Andi chryst, admin and officer of NLM, claims to have started 765 Movement, which could be an indicator he is Anthony "Ant" Gonzales

<https://m.facebook.com/profile.php?id=100005808138149&tsid=0.5402342798188329&source=typeahead>

Andi Chryst is the ONLY person in all of 765/NLM that NOBODY knows what he looks like, has never met or seen a picture. There is a lot of evidence to show that Andi Chryst IS Ethan Allen/Tyler.

1. A picture on Ethan's profile, a deceased young woman of unknown relation, (wife or girlfriend probably) Larsen family member referred to her as cousin, was also found to be linked to the Tyler Larsen profile, where she is a singer of Danish decent <https://youtu.be/33J4WTbL6Nw>, Britt Larsen, and on Andi Chryst's profile, as his murdered ex wife, fake name JonaTiffany Bell, and fake hacker handle "FireBelow" (screenshots in order of description)

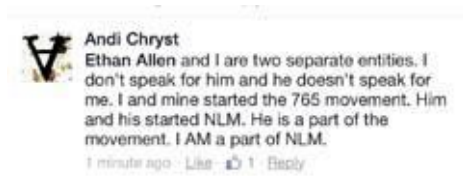

2. Andi claims he started 765 and Ethan started NLM, but contradicts himself in other posts claiming started NLM.
3. Andi is a self proclaimed Jew, and from Jerusalem, Israel (to the point that he posts, don't talk shit about Israel on my page, I have their full backing), which Ethan does not, but the name Ezra, used in three of Ethan's alts , is a Hebrew name. Aspen Ezra (Colorado a known frequently travelled to place by Ethan, as is Florida, and there is an Ezra Florida Alt, with the ten commandment tablets inside the star of David. And Ezra Bane, Bane being a batman reference, A brilliant military mind and strategist.
4. Venom gives superhuman strength and endurance
5. Trained mercenary
6. Peak human physical condition
7. Highly skilled hand-to-hand combatant
8. Accelerated healing factor
9. Genius-level intellect
10. Psychic mind reading ability
11. Fluent in Spanish and German (THIS GERMAN REFERENCE WILL SHOW UP NEXT)
4. There is a comment on Andi's profile with a link to a German website, on which he comments, which is rare. Andi clearly is able to read German. The name Tyler Hans Larsen, is of Germanic// Danish decent, which all speak german.

5. The link to the website leads to the following picture, which you will notice is N L M inside a triangle, in front of a star burst (the iconic illuminate symbol)

HOWEVER, to the trained eye, what appears to be NLM is actually the Hebrew letters, yod hay vuv hay, which is the unspoken name of God in the first testament. Since the name of God is unspoken for respect, the name used for God is Adonai, from which you get Andi. Andi Chryst – God Christ. And in EVERY SINGLE ALT of Ethan/Andi/Tyler/Ezra/Mason, he always linguistically uses I AM, always capitalized for no reason, (how god refers to himself in Hebrew scripture) So only somebody who knew Hebrew could have named the NLM, that is for sure Andi, which it clearly appears to be Ethan/Tyler

Because Anthony Gonzalez and Samuel Bradbury have no connections to Judaism, Germany, or Israel, it is believed they are used in some capacity as informants, but that Ethan himself, is actually a full blown federal agent.

The only Tyler Larsen and Tyler Hans Larsen names in Utah, where he lives, don't match any possible ages he is. And the locations of those addresses, even though they physically exist, can not be viewed on google maps or google earth, it says they don't exist. Also the phone number that is used to reach Ethan, 385-231-9201 is a prepaid phone, purchased by Stephan Bannett at. Candi Cuccinello, S park Dr. E Kaysville, Utah. There are a couple Stephan Bennetts, not Bannett, in Kaysville, none of which live at that address. No matter what angle you try to pin down Ethan/Tyler from, you end up in a maze of disinformation.

New Members, Welcome to the Revolution! This is the NLM War-Room a place to share information and network. We only have a few requests.

1. Be polite
2. Respect others boundaries and beliefs
3. Do not troll/spam
4. No racism/hate speech
5. Participate!

We are here to help everyone get organized and prepared to mobilize. We hope to restore the constitution, create a transparent government, disarm the police, reduce the power of the federal gov. as well as maintain our human and constitutional rights.

We have several Subgroups in place to help you with advanced training I recommend you choose at least two, a primary and secondary skill.

Below in the comments you will find a video describing what we are planning and the descriptions of the sub-groups. You will also find all of our sub-groups in the comments below.

Not mentioned in the video are two sub-groups worth mentioning. The Extended Hands is our nonprofit org. a licensed group dedicated to helping the communities we all live in and the Outriders, our group dedicated to recruitment both online and off.

We also have FEMA Region sub-groups these groups are split into ten regions across America. These groups are designed for you to connect locally with other members so you can begin to attend meetings and training camps. You will find the FEMA Region map and all of the FEMA sub-groups in the comments below

We also have Facebook Messenger chat rooms for each sub-group and FEMA region group as well as the War Room Please contact the sub-group or FEMA group officer for the chat you wish to be added to.

As far as leadership below is all of our current leadership and the roles they play.

Top Elite Officer Chat rooms: Paper street, formerly known as Valhalla. And Yo Yo, believed to be obsolete.

They recruit through cop block, hempsec mainly, but have infiltrated ALL anon groups and pages, and have created many anon pages related to NLM and 765, along with the page We Are Anonymous. They look for anons that are mostly young, pro marijauna, anti-cop, anti-gov, those that show pics of guns and appear trigger happy,

This is the inital pm between a NLM officer and Anonymous. This followed a brief conversation in a thread about the NLM/765 Halloween Op.

NLM OFFICER CONTACT 1

This is **Deborah's** connection 8/26, 4:05pm

ANONYMOUS

Hello. So same person or two different people? 8/26, 4:05pm

NLM OFFICER CONTACT 1

Same but can't expose myself on this account I got back into NLM to check the status of what I know is coming and it was already going on So I went to **teve** and then started posting the info and screen shots. NLM is divided..... 8/26, 4:06pm

ANONYMOUS

I thought so from the screenshots, just checking. Ur profile is safe with me. 8/26, 4:06pm

NLM OFFICER CONTACT 1

ANONYMOUS

I thought so from the screenshots, just checking. Ur profile is safe with me. 8/26, 4:06pm

ANONYMOUS

Divided by who wants to do it and who doesn't? 8/26, 4:07pm

NLM OFFICER CONTACT 1

That's the map we use, the FEMA map

No divided into 10 sections 8/26, 4:07pm

ANONYMOUS

Ohhhhhh, gotcha. 8/26, 4:07pm

NLM OFFICER CONTACT 1

I was FEMA 2 officer, and NLM lieutenant. 2nd in command when I ran

The Feds got me when I got home in June. I have been fighting for people to hear me since 8/26, 4:08pm

ANONYMOUS

Well u have ears now. What did the feds pinch u for? 8/26, 4:08pm

NLM OFFICER CONTACT 1

I can't talk, I can't write... I need a f2f bc I won't let them come for my son again. I know you guys can figure it out if you strip my questions apart esp the Muslim terrorist part 8/26, 4:09pm

ANONYMOUS

We are working on it. We will dissect it into oblivion. We won't let this happen. 8/26, 4:09pm

NLM OFFICER CONTACT 1

They held me in interrogation with no food and water for 6 hours and then gave me \$100 in tickets on my truck, came back and confiscated my shit and now my brand new computer no longer works, my external hard drive was wiped clean

I know what you need to know, that the Feds didn't want me knowing. That's what shit the awakening did. 8/26, 4:11pm

ANONYMOUS

They're not big fans of people knowing what they're trying to hide. Def keep u and your kid safe. 8/26, 4:12pm

NLM OFFICER CONTACT 1

Steve was just on the phone with me when some guy took my pic getting my mail after sitting on the street the whole time. I am at a safe location, I fled damn near in the middle of the night. I have a 250lbs mastiff and a full security system now but I know they will find me again 8/26, 4:12pm

NLM OFFICER CONTACT 1

The guy I screamed at asking what his fucking problem is and he turned on the highway, turned around and is posted in the gas station parking lot across. Black SUV and a black ford truck

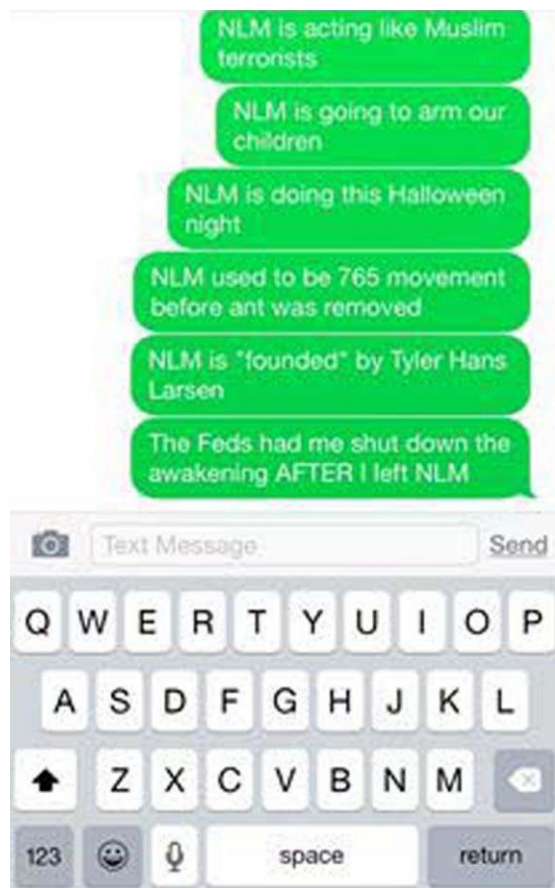

I had Steve stay on the phone so I can arm my system and lock up. I think I was on the phone too long this time, I can be traced again. 8/26, 4:14pm

ANONYMOUS

If you're on radar make sure and only contact in spurts. Be careful. 8/26, 4:17pm

NLM OFFICER CONTACT 1

Here... Pick it apart. You will get it. 8/26, 4:17pm

NLM OFFICER CONTACT 1 8/26, 4:18pm

Also Tyler called me mins after responding to you from my Deborah Sampson account.

That account founded the Awakening and was 2nd in command in NLM 8/26, 4:19pm

ANONYMOUS

I noticed that. He must have someone in **Steve's** and or your page...watching. 8/26, 4:19pm

NLM OFFICER CONTACT 1

I want our children protected but I don't think we can this time

No no

Tyler called **DEBORAH** mins after she went back active and posted to you

Deborah is a 1776 American Revolution war hero

He called "hey **Deb**"... He doesn't call me **Deb** one on one.

I know you can do it and I am not breaking anything in the documents by writing this^^*^^ 8/26, 4:21pm

ANONYMOUS

Got it. So question. You say u don't think it can be stopped this time...what do you think is the biggest block against doing so. 8/26, 4:23pm

NLM OFFICER CONTACT 1

The same block I have been running from... "Hey **Deb**"... **Deb** is an image name. 8/26, 4:24pm

ANONYMOUS

No, I mean from stopping them. What part of the group or the plan do you think is unstoppable? 8/26, 4:26pm

NLM OFFICER CONTACT 1

Lucy aka Dana and Dan Jongsma. They are the new cover up. I think it can be stopped as much as I think we can capture all of ISIS, etc.

Anons are converting. 8/26, 4:27pm

ANONYMOUS

Well it can be broken up enough that those left behind won't stand alone. 8/26, 4:27pm

NLM OFFICER CONTACT 1

People think NLM created anons

Anons join and are converted

I am telling you my orders

Think... It can be broken up a little. I got massive amounts of people to follow me out but it wasn't enough to stop the plan. 8/26, 4:28pm

ANONYMOUS

Any real anon knows how the idea started. Those that don't aren't real anyway, and the real ones can't be persuaded into such bullshit. 8/26, 4:28pm

NLM OFFICER CONTACT 1

I had officers follow me out, more stepped up or were promoted

Yes I know that NOW but I just showed [redacted] and [redacted] how easy it was to expose anons and it took me mins to convert an anon when I was in.

Now the truth came out to arm our children. That's why I pushed the questions so hard. So I can say that without somebody coming for me. I needed them to publicly admit it. 8/26, 4:31pm

ANONYMOUS

You did a good job of it. Like i,said. There are no real anons in that group, only people who want to claim the name, and there are many. There are real anons on this now. We have ways... 8/26, 4:31pm

NLM OFFICER CONTACT 1

I don't know much about anon... I know enough to know a real anon won't arm a baby to take a bullet for an adult. I know an anon won't use a baby to start the second American Revolution 8/26, 4:31pm

ANONYMOUS

100% correct 8/26, 4:32pm

NLM OFFICER CONTACT 1

Read my last 3 words

Add it to jade helm

Look at that map

"They" have failed all of the other missions... What will make the world panic? 8/26, 4:33pm

ANONYMOUS

Martial law 8/26, 4:34pm

NLM OFFICER CONTACT 1

Why?

How can they enact martial law with failed missions? 8/26, 4:35pm

ANONYMOUS

Because everything they've known that has kept them in their comfort zone of willful ignorance will be stripped away. Answer to question...civil disobedience. 8/26, 4:36pm

NLM OFFICER CONTACT 1

But what's the worst thing a person can be exposed to in order to accept martial law 8/26, 4:36pm

ANONYMOUS

False flag terrorism 8/26, 4:37pm

NLM OFFICER CONTACT 1

Yes... So what type of terroristic activity can a person be exposed to in order to think martial law is the only safe option. 8/26, 4:38pm

ANONYMOUS

There are actually many many answers to that question. People give up their rights freely and easily when they're afraid. 8/26, 4:38pm

NLM OFFICER CONTACT 1

Exactly 8/26, 4:39pm

ANONYMOUS

So do you think NLM is going for revolution or trying to push martial law? 8/26, 4:39pm

NLM OFFICER CONTACT 1

They don't know what Ethan Allen is setting them up for 8/26, 4:40pm

ANONYMOUS

Do u know what his true mission is? 8/26, 4:40pm

NLM OFFICER CONTACT 1

Yes 8/26, 4:40pm

ANONYMOUS

Is Ethan a fucking fed?!!! 8/26, 4:40pm

NLM OFFICER CONTACT 1

Yes! Working for them.

That's why we are hiding from him and the Feds 8/26, 4:41pm

ANONYMOUS

Okay, this is much needed info. It doesn't change anything, except tactics 8/26, 4:41pm

NLM OFFICER CONTACT 1

I know for a fact before I was in, there were a dozen active Feds given orders

All NLM officers know 8/26, 4:43pm

ANONYMOUS

Okay, that one key just decoded this entire conversation. 8/26, 4:43pm

NLM OFFICER CONTACT 1

Exactly

I just needed you to "hear" 8/26, 4:44pm

ANONYMOUS

I hear you, just needed the Rosetta stone. I got it now. 8/26, 4:44pm

NLM OFFICER CONTACT 1

Ethan wrote a statement against me to NLM and pm'd people. I was an agent after he got copies of my ids, award letter, address and my ssn

That's when I figured it all out 8/26, 4:45pm

ANONYMOUS

This is where people who want to "play" like they're anon get into big trouble they can't get out of. 8/26, 4:46pm

NLM OFFICER CONTACT 1

Yeah I wasn't trying to play anon I was trying to uphold my oath I took to defend the constitution. Dumb ass me thought I could do it single handily 8/26, 4:48pm

ANONYMOUS

No, not u. I mean the "anons" joining the NLM/765

AND you're part of the solution now 8/26, 4:49pm

NLM OFFICER CONTACT 1

Oh yeah I been trying to secretly do more on my own but couldn't anymore so I went to **Steve**. Before I went to **Steve**, he will tell you I drove over night straight through to Utah to face Ethan myself and get the truth. Then ran.

Cowards run I know but I got the details of who was going to be killed at the compound and I was to be the shooter. 8/26, 4:50pm

ANONYMOUS

Steve said he's trying to find you local anon help.

Fuck coward, you can't be effective if you're shutdown, locked up, or dead. U did the right thing.

8/26, 4:50pm

NLM OFFICER CONTACT 1

Yeah but I don't need them now bc you figured it out without making me write it. I can still tell them F2F

8/26, 4:51pm

ANONYMOUS

Yeah, I wouldn't be typing an this to much, especially not here 8/26, 4:51pm

NLM OFFICER CONTACT 1

I know, I was almost killed that night. **Steve** seen me 2 days later. It was a fucking nightmare and I have severe PTSD and agoraphobia from the military so by time I got home and the Feds snatched me I shut down completely.

Nobody knows **Penelope**, please keep it that way. **Deborah** is highly monitored. I just recovered the account.

8/26, 4:53pm

ANONYMOUS

Keep yourself safe. You've been heard. The information will be transferred. And **Penelope** is safe with me. You can take that to the bank (but don't bc they're corrupt hahaha)

8/26, 4:55pm

NLM OFFICER CONTACT 1

Lmao ikr also I just remembered the name of the hacker. The one that got into my security system and disarmed and shut it down on me... CM Spit aka Moxy. Idk real name but CM Spit is the current account.

8/26, 4:55pm

ANONYMOUS

That's fine. He can be found. 8/26, 4:56pm

ANONYMOUS

Alright I've got to get this information to people. If you need to talk I'm here. 8/26, 4:57pm

NLM OFFICER CONTACT 1

Thanks! It's nice to have real people "listening" after months of this! Yeah I tried sharing, the 2 anons I trusted back fired when they converted. 8/26, 5:05pm

ANONYMOUS

Well you've got the ear of the non-convertible now 8/26, 5:11pm

NLM OFFICER CONTACT 1

Lol that's good to know bc if you converted I would be seriously shocked. 8/26, 5:13pm

ANONYMOUS

Will never happen. Im tried and true. Im not easy to fool. I question everything. 8/26, 5:13pm

NLM OFFICER CONTACT 1

I used to post on the awakening and wasn't anything bad... Andi Chryst is the one I was trying to expose. Claims anon, now claims founder of 765 movement, and now wants to arm children to fight a revolution

Yeah I am a bit overprotected of children. NLM hides behind the name ANONYMOUS too which are actually names of NLM groups
8/26, 7:42pm

ANONYMOUS

That is no surprise. Pheds use anon all the time to catch anon. That's why I keep my circle small, personal, and verified. 8/26, 7:43pm

NLM OFFICER CONTACT 1

Yeah but they also force people to give up Fb accounts too. That's how I knew who was fed 8/26, 7:45pm

ANONYMOUS

Yep. And we've had people get caught and turn. It's a tangled web that has to be manoeuvred through carefully. 8/26, 7:47pm

NLM OFFICER CONTACT 1

Yep, but what I did was comply, go home and change all passwords so they never got access to my account... Then moved during the night, not long after they came for my nlm stuff. 8/26, 7:48pm

NLM OFFICER CONTACT 1

Lynn Jackson is the one who is nlm but anti anon, part of the team to convert anons to nlm ways. 8/26, 9:43pm

Anonymous Contact Inside NLM

This is one of the many ways they're manipulated anon members. Trying to get them to dox cops and spit their personal info in their faces as we protest. Prepping them for Halloween and MMM.

9/1, 12:45pm

ANONYMOUS

These people are gonna get slaughtered. I don't want to see that happen. Literally lambs to The slaughter. Halloween and MMM are going to be a bloodbath, if these newbs follow through with their plans.

9/1, 12:48

Im tring to warn the ones i have on my friends list....its hard these fess a4e good but im not giving up tho tell oldphags im right beside them on this and i wont give up

Feds are *** 9/1, 12:50pm

ANONYMOUS

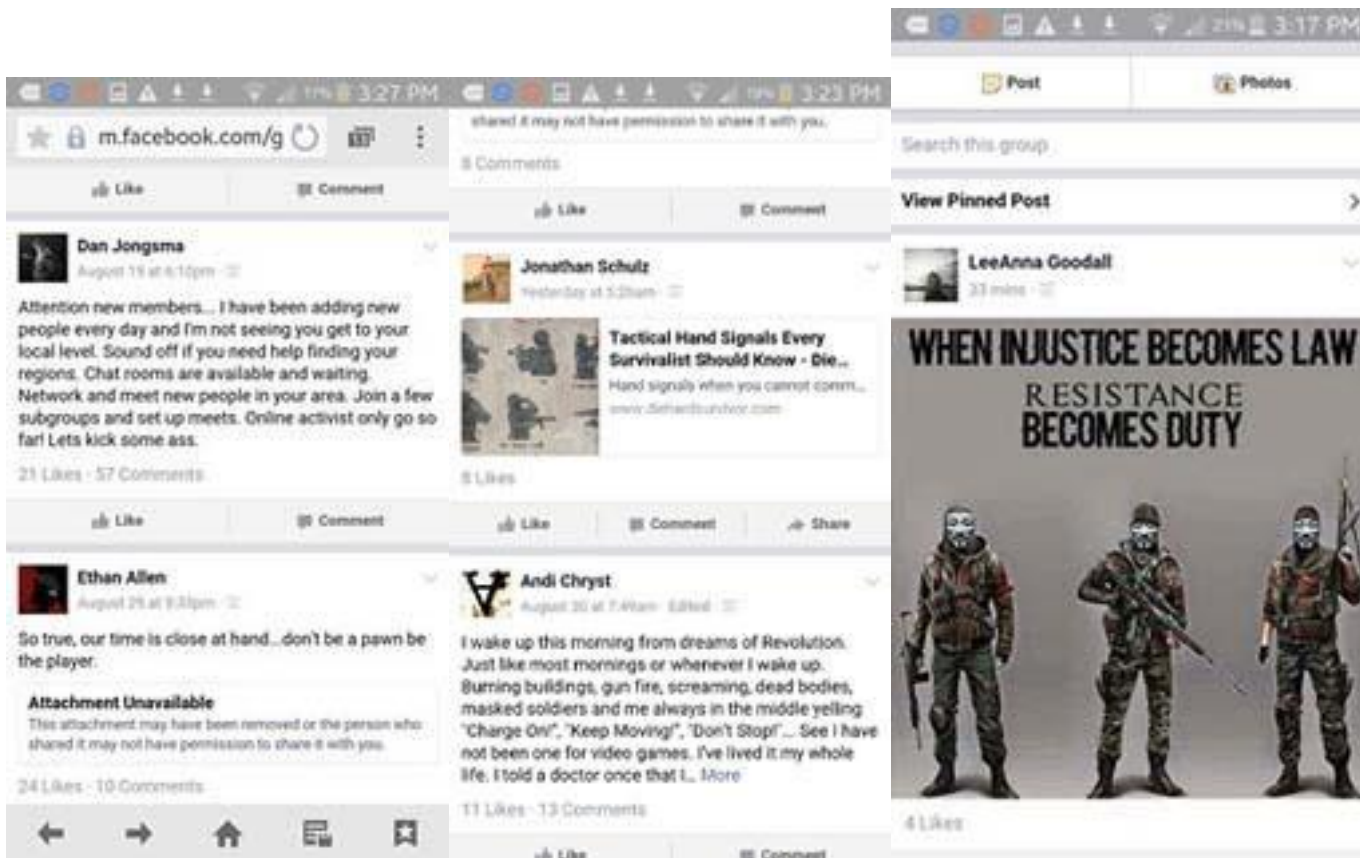

They know. 9/1, 12:54pm

Anon contact inside NLM

They're trying to get the kids offline, so they don't see any ingo against NLM/765

They have people in every city setting up ground troops for Halloween and MMM.

And trying to teach the young anons that don't know any better that anarchy IS violence. Fucking mental assholes

9/1, 12:55pm

Anon contact inside NLM

trying to get the young anons to riot on Halloween and MMM, tearing down surveillance cameras and breaking into atm's. And talking to different groups, they kept them sectioned off from each other so they cant talk, to taking to the streets with gun violence.

9/1, 3:24pm

ANONYMOUS

So they're recruiting kids from cop bloc, black bloc, hempsec, and basically every other anon group and keeping them separated, to get each individual group to carry out their plans to create martial law...

9/1, 3:24pm

Anon contact inside NLM

Exactly all of their recruits are just casualties of their war. Creating martial law using the anonymous name. they want them all masked up. 9/1, 3:25pm

ANONYMOUS

Jesus, brother. We have to get this through the hive as fast as possible. Save some lives.

9/1, 3:33pm

Anon contact inside NLM

Notice the guy sticker comment that none of these noobs notice and Ethans laughing cause he knows hes fed 9/1 3:33pm

Anon contact inside NLM

Ethan posted this after someone told Ethan that Anonymous was onto them. The op is working. Playing damage control. Notice all the admins and officers come in to support the post. These people make me fucking sick using our name.

So apparently it seems we have another group that instead of focusing on change decided to spend their time hating on our groups and myself! Please don't fall for it we are a strong group...we are a family...I would sacrifice myself for any of you or any stranger for that matter... Our country has so much division right now its ridiculous....the feds have implants everywhere we must stay focused and not loose sight of our goals
I believe in total transparency if any of you have questions for me I am an open book...I'm not perfect I make plenty of mistakes...I do not crave nor want power or fame I want change! I want a system to work for the people not against them. I want to see all homeless housed and all children happy and safe NLM is not about harming innocent people its about protecting them
I urge you all to remember how we all got here and what it is we need to change...change begins with you on a singular level only through love and compassion can we bring forth a new era of peace
We are all humans and we should do everything we can to set a new standard and be an example for those that are lost or in need of help
As I said you all are my family I am grateful for each and everyone of you
And try my best each and everyday to appease you all
Stick together family and we will move mountains!

I had a conversation with Lucy Dizzy Lashelle Knox. She's one of the NLM admins and officers. She said she had met Ethan, and that he had showed pics of himself on their "day of transparency". Check out what she says when I show her a pic of Ethan. She doesn't want to believe any of it. None of these idiots know they're being herded by feds. 9/1, 11:04pm

Conversation Between Anon and NLM Contact 2

TRANSCRIPT FOR THIS CONVO DUE TO BLURRY SCREENSHOTS, SCREENSHOTS STILL INCLUDED BELOW:

Anon:

Hey can I ask you a question? We used to be friends on facebook. Just verification of something.

NLM:

Sure of course

If it's that am I a fed, lol, no I assure you I'm not. It's a smear campaign by Ethan. I have already plastered Facebook with screen shots of his lies. But if it's something else sure

Anon:

No I don't think you're a FED lol if I actually thought that I wouldn't talk to you, lol

NLM:

OK lol just checking s I can imagine it's been a rough week lol

Anon:

I heard that you called them against Ethan though.

Any truth to that, personall I don't care if you did

NLM:

No lol another lie. We go the number that was supposedly the feds calling him. It's the fbi information desk lmfao

Anon:

Just checking on the validity

NLM:

We asked them do agents ever make calls from the number? They said absolutely not this number if for the public.

Also, the fbi does not call up rogue suspects lol they do not give heads ups

Anon:

Of course lol

NLM:

It's all lies I have the number ppl can call themselves

Anon:

I have some people that have info that Tyler is possibly working with them himself

NLM:

Although be carefule because if too many ppl call asking they are gonna start to wonder why lol. I recorded the call anyway and ---- called too

Yes I heard that same info

I believe that is the reason the number is on his phone to begin with

Anon:

Yes

There are several undercover aganets within the ranks

NLM:

People have been telling me things...showing me things even for months that suggest he may be in cooperation with them. I defended him like an idiot.

But I saved everything.

Tyler price also be careful. Extremely careful.

Anon:

One very well known member also has ties to a well known ISIS in Syria.

NLM:

I have al but his actual ci number

He's a provocateur and an informant. This is why I left nlm, these things. There is no screening its dangerous. Ties to isis? Oh god help us all.

Anon:

He touch on the idea in the Halloween conversation

NLM:

Oh I see....yeah that's incredibly shady

Anon:

I'd cut all ties for safety sakes if I was you. We know more than anyone knows that we know. Feds and black hats are about to come down pin anyone related to NLM/765

NLM:

Ethan tried to have me doxed, get all my info my address. The info was all false said I'm 43 lol wrong middle name wrong everything. But point being he didn't know it was incorrect and he released an address he thought was mine. I have 3 little kids. I've never even seen a fucking fed in my life up until ethan had that at my door in July, another reason I left

I cute ties a long time ago and yesterday Imade members choose. No more allowed in both groups. 3 left I kicked 3 more. Rest stayed with me.

Anon:

Be careful, take care of your babies many many people are pissed about the Halloween night plans

NLM;

If you are in free speech room go there see my posts. He's lying about all of this I have it in screen shots. Why are they pissed about the Halloween thing?

Anon:

Good deal. I just wanted some validation. I always simply ask and am straight forward, no he said she said, just the facts.

NLM:

A few in my group who were still nlm left because of that shit even before all of that

I appreciate that because numerous ppl asked him for proof. He has zero. I did and I posted it everywhere.

Anon:

Because of their true plans, the private conversations that are easily NOT SO PRIVATE if you know what I mean, and true intentions

NLM:

I'm so glad I cute ties when I did. I had a bad feeling. And I know why Ethan is doing this too. I'm working with an org they approached me after I had left nlm. Ethan claims this org supports him but in reality they despise him and anything to do with nom. I think he found out I'm involved. He spend 2 hours yesterday trying to apologize to me. Once he realized I wasn't budging he made up the story about the fbi calling him.

Anon:

Certain aspects fo the Op are being kept hush hush, but some things will be made public before much longer

NLM:

Yeah I've seen a few things in screen shots, and like I said a few in my group left nlm in recent 2 weeks because of that op I just didn't as for specifics

If children are going to be hurt or involved then someone needs to make an effort to stop it

Anon:

Good deal, glad you became wise to the deceit

That effort is already in affect

NLM:

Oh I did lol as soon as I realized for sure that ethan lied about his siter dying and other things to get group finds. Then spent them on cocaine. I have the screen shots from his ex girlfriends. I left months ago. If you need my help or my gorup's you know where to find me all ppl inmy group are gone from nlm

Both groups

Anon:

The true collective of anonymous is not taking this lightly

What is that group?

NLM:

Project coalesce

Anon:

Oh ok, wasn't sure if that was what you meant

Thank you for the offer, if I need I'll ask, but I think he and the rest are doing enough themselves.

Thank you for the honest conversation, I appreciate it

NLM:

You too. Thank ou for not jumping on the bandwagon of bullshit and asking me first. Go to free speech page all my screen shots. Well def not all but the ones concerning this and hid lies are there. I havenothing to hide. Ethan is treatening me with anonymous but they are seekers of the truth. I have nothing to hide I dedicate my life to the cause and my children do a lot of good he's only hurting the movement by doing this..

Most of nlm even believes me, I ran that group a long time. I'm very anti law enforcement I'd never talk to a fed. And about what exactly? I'm just an activist trying to make a difference. If you do need my help lmk I have some very inflammatory screen shots coming form ethan and his lies and true motives.

Here is the number ethan claims was the feds calling him. Insinuating I called them.

FIRST SCREENSHOT

Anon:

If you want to post them here you can and if they will help in anyway in the future that would be great for reference.

NLM:

Call yourself I fyou wwant it's the fib information desk

Anon:

I will let you know beforehand if I use them and ill try to keep your name out of it

Lol, I have no interest in calling any fbi number, lol

NLM:

They help in clearing my name, the ones I posed in free speech room. The others will certainly help. I'll pm them to you they will come at random lol for probably about a day I'm going back thorough roughly near a year of pms. Butyes they will help..

Anon:

Not my cup of tea, lol

NLM:

No I didn't think you would lmao but I did to clear my name I recorded the call

They said it's a public info line agents do not use it

Point being he's lying about the whole thing

Anon:

Good deal, I appreciate you

He's definitely lying himself into a corner

NLM:

Also I was telling ppl to tread carefully with project mayhem and the Halloween op. I sent them screen shots of him calling his members cannon fodder

He may have found out and that's maybe another reason he's attacking me

Anon:

Those would be great to have

NLM:

Nlm officers are telling me keep this stuff to myself, let them work it out. But why should I? He attacked me and my group's reputation why should I care about his? Especially when he could care less if his members or anyone else are hurt.

Ill get together al that I have that I think may help. Remember I was second in command for a long time....i've got some serious dirt. If you guys are planning to expose him or stop ppl from getting hurt of course Ill send it o you. Give me a few to go through all and Ill start sending

And if you can, check my posts in free speech room

Stopping innocent people especially children, is priority #1!!!

Exposing Tyler's fake ass is next

NLM:

Ok first ethan claimed that I was dealing with the feds to "gt my kids back" I never lost my kids! They've never lived with anyone bt me. In June the locals called cops on me because I let my daughter play at a park literally alost in my backyard. CPS came, they laughed, they left then sent this letter.

NEXT TWO SCREENSHOTS

NLM:

Then once Ethan realized I exposed that lie, he tried something else. He sent this screenshot to people claiming someone close to me sent it o him, as "proof" that I was in trouble, and dealing with feds. He blocked the senders name to "protect privacy of source:

NEXT SCREENSHOT

NLM:

It's a conversation with Ethan! Between he and I the nigh the feds showed up at his and mine and ---- house cause --- called them. Or supposedly. Here's the real version.

NEXT TWO SCREENSHOTS

See it's identical. It was between ethan and I! He lied! So once I posted that he started ping me blaming everyone and their brother saying it was a misunderstanding

I did not accept his apology. After 2 hours of me telling hi to go to hell, all of a sudden, “the feds called hi” I pmd him about it.. in his post he said there’s no way I could have known that. Lmao heres how I knew.

NEXT SCREENSHOT

Sorry phone died

NLM:

No its OK lol sorry for blowing up your phone

Those are the proof of his lies. Only after I released them did he claim the fbi called him

The damaging stuff is his drug use, misuse of group funds, how he really feels about his members and stuff and other very fucked up shit

Anon:

No, blow itup all you want

Thank you for reaching out to me. I’m going to start sending you some things. Let me get them all to you I have to back through hundreds of pms, then I can explain each one. It may take a day or two but I and others have very inflammatory info. Since this happened ppl have sent me their own screenshots to help me prove what hes really all about.

And please be careful of tyler price too, he is an informant, and there is speculation that Ethan and Tyler price are the same person. I had the ips traced by a friend, no solid proof but ppl just keep saying that. I’m going to get all this together. I trust you’ll do what’s right with it. Like I said it will be random at first but once I unoad all of it I can explain and answer questions

We cannot stop every child in the world from participating in the revolution. If their gonna do it. They are gonna do it. So instead of trying to stop them. We or I will equip them to do so. Only my opinion.

INTEL REGARDING NOV 4th and/or 5TH/ Million Mask March OP

Gabe here is speaking to the members, of which a high number are anons. This is what they are trying to get their members who are fooled by their bullshit, to do to our name, to ruin the Anonymous.

ANONYMOUS

They are planning a night of Mayhem to storm city halls Black Bloc style on either November 4th or 5th in order to create confusion and may blame on anonymous as a patsy!!!

ANONYMOUS

Yes, my contact told me the same thing. Locations, every city in every state which has ground troops. Which is basically every city. The worst I heard was of them storming the capitol. Sounds insane, but these people aren't marked for their sanity. So yeah, they're gonna storm city halls, wearing anon masks, while we're out on the streets marching. This is a major fucking problem. Nobody will be able to tell the difference between the good guys and the bad guys. All will be masked as anon. 9/8, 10:06am

Hi [REDACTED] was wondering if we could talk for a second when you have time?

Plans that Ethan has basically in a last ditch desperate attempt to save his group maybe? He's going to get people hurt, both his group members and innocent people

hacking or anything.. But I do have connections and access to info. I just need to know what to do with it, who can help

Hey what's up

Hi 😊 so the past few days, a bunch of shit has flown. A load of ppl left nlm.. And I've heard some disturbing things. Things like you were saying the other day... Plans that Ethan has basically in a last ditch

Us anonymous aware and on this? And can I somehow help?

I'm sick over the shit I'm hearing.. This is not what the movement is about.

I have no skills as far as hacking or anything.. But I do have connections and

We know of certain things. If you can provide any screenshots or just describe what you've seen and heard, just send them to me. I have unique resources to help deal with it.

The more info and Intel we can collect, the easier it will be to stop

can collect, the easier it will be to stop

And keep everyone safe.

get them killed.. And they don't know any better, some of them

Then he's got these plans for Halloween that if ppl actually act, people are going to get hurt

I have contacts with some Oath Keepers who are aware what's happening. Ex military, current military, military MP's, Anonymous #OpISIS SEC and others within the Anonymous collective

They already know the dangers

He's also got a plan for op mayhem... He's encouraging his member's to basically storm the Capitol in full black bloc gear

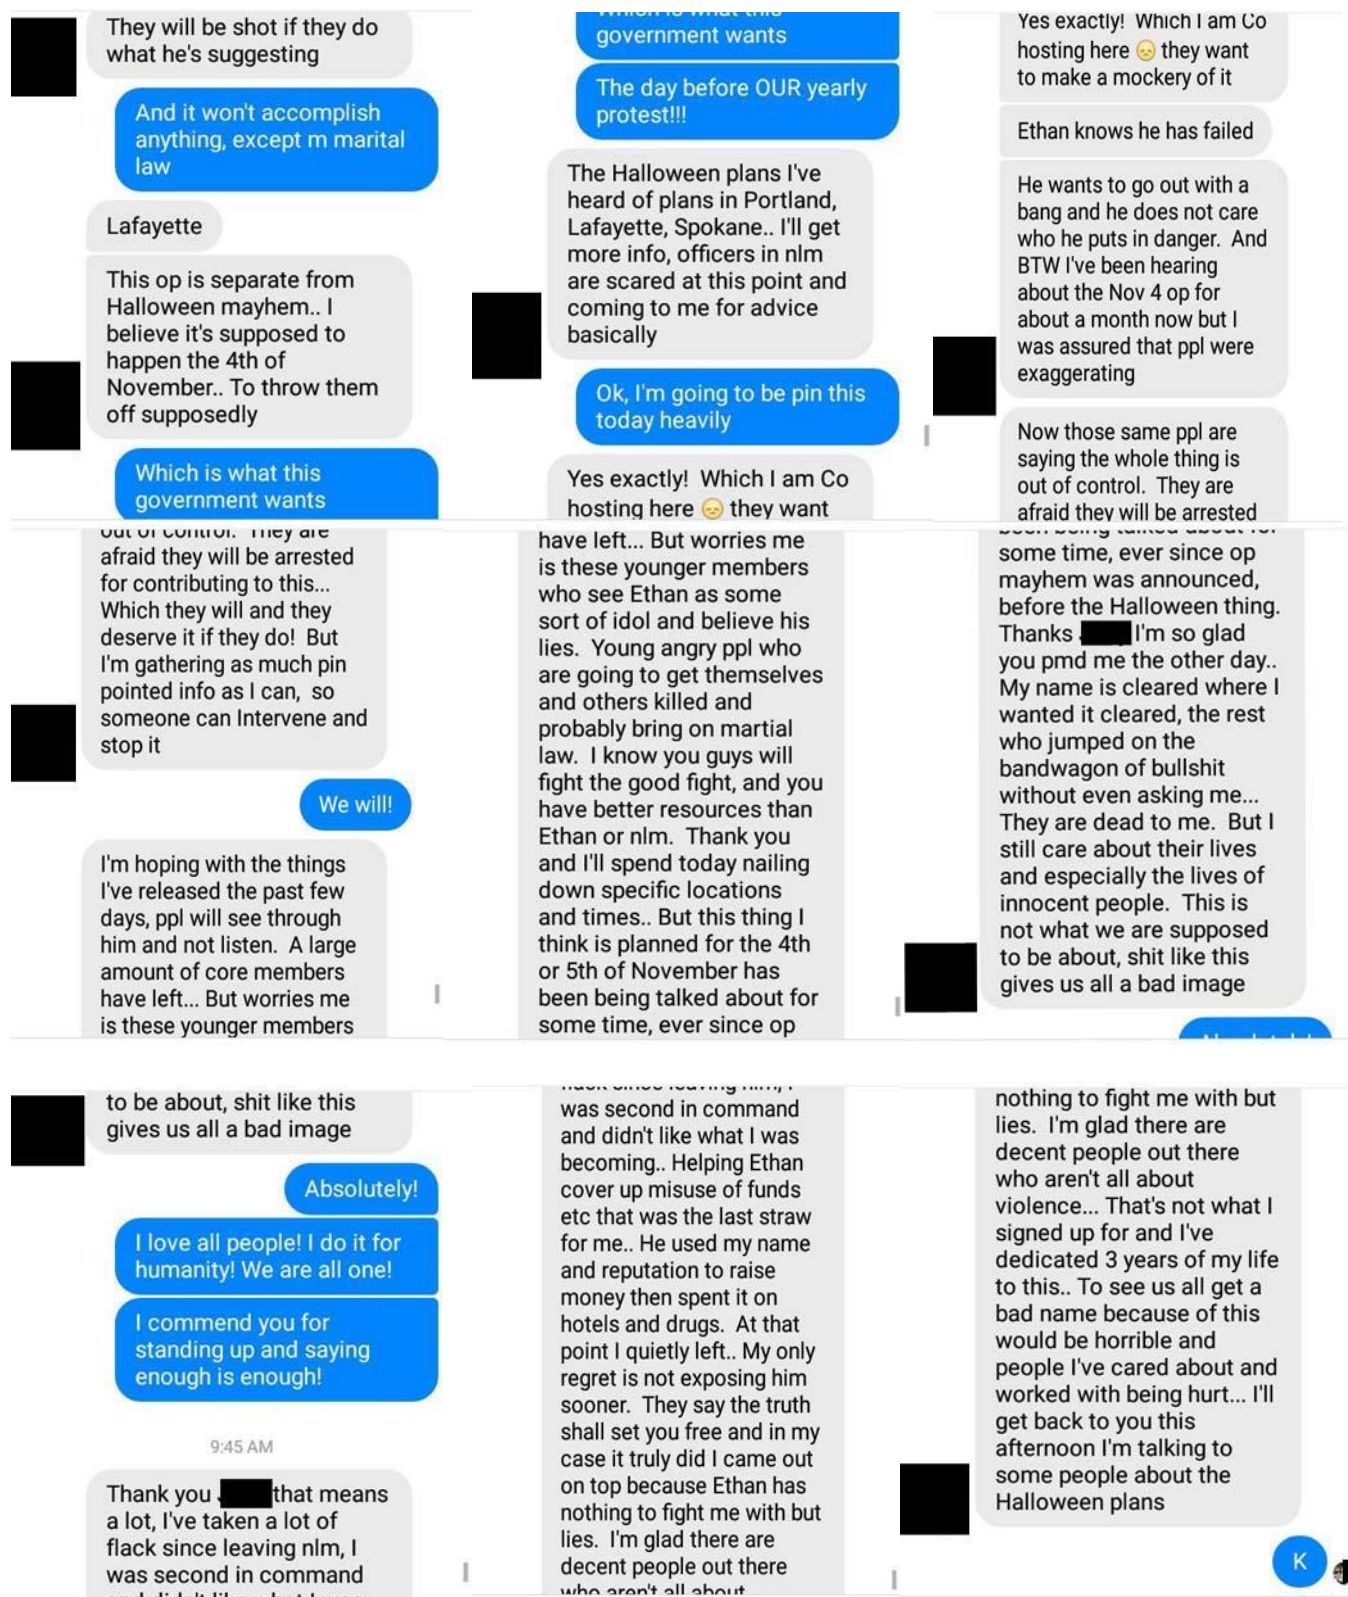

Just send anything my way, stopping this shit is my main focus, as well as others helping main focus

OK I'll screen shot the pms I have, and some was in phone conversations with one of Ethan's top officers... So he thought. His hacker, but what Ethan didn't know is that this person is extremely loyal to me and left nlm the day Ethan tried to demonize me. He's both encouraging members to something that will likely get them killed.. And they don't know any better, some

Yes they will

Do you know of any actual

They will be shot if they do

DO NOT FIGHT AGAINST THE GOVERNMENT

The Sword or the Cross?

David Eells

Please be very patient with me and I will share something that just may save your physical and eternal life. If you are not willing to believe only what the scriptures say concerning your relationship to this evil world and its God-ordained plan in your life, don't waste your time reading this.

(Excerpt from [Hidden Manna For the End Times](#))

When Peter used the sword to keep Jesus from going to the cross, He said, ***“All they that take the sword shall perish with the sword.”*** Even though the true saints will not agree with much that is about to happen in this world, they will not take ***“the sword”*** of man and break their covenant with God as the apostates and their leadership will. God's plan for His people is demonstrated by Jesus. ***(Jn.12:23) And Jesus answereth them, saying, The hour is come, that the Son of man should be glorified. (24) Verily, verily, I say unto you, Except a grain of wheat fall into the earth and die, it abideth by itself alone; but if it die, it beareth much fruit. (25) He that loveth his life loseth it; and he that hateth his life in this world shall keep it unto life eternal. (26) If any man serve me, let him follow me; and where I am, there shall also my servant be: if any man serve me, him will the Father honor.*** As Jesus was a seed sown in the dirt of this earth, so must we be. The wicked of this world are the dirt that puts to death the fleshly husk of the seed so that the inner life may come forth and bear fruit. As a lamb does not struggle with a wolf, the seed does not struggle with the dirt but permits it to fulfill its purpose. ***(Lk.10:3)...! send you forth as lambs in the midst of wolves.*** In God's plan wolves devour the flesh of the lambs. He uses the wicked to chasten His children. ***(2Sam.7:14) I will be his father, and he shall be my son: if he commit iniquity, I will chasten him with the rod of men, and with the stripes of the children of men.***

(2Cor.4:11) For we who live are always delivered unto death for Jesus' sake, that the life also of Jesus may be manifested in our mortal flesh. (16) Wherefore we faint not; but though our outward man is decaying, yet our inward man is renewed day by day. (17) For our light affliction, which is for the moment, worketh for us more and more exceedingly an eternal weight of glory. The glory of God will be manifested in those who will ***“resist not him that is evil”*** but will ***“turn the other cheek”*** and permit the dirt to do its job. No one else can drive the nails, friend. You are unable to do it and other Christians shouldn't do it. It is God's plan to use the harlot and the beast to crucify our old man. ***(Acts 2:23) [H]im (Jesus), being delivered up by the determinate counsel and foreknowledge of God, ye by the hand of lawless men did crucify and slay. (4:27) [F]or of a truth in this city against thy holy Servant Jesus, whom thou didst anoint, both Herod and Pontius Pilate, with the Gentiles and the peoples of Israel, were gathered together, (28) to do whatsoever thy hand and thy council foreordained to come to***

pass. Through death to self at their hands, the world will see Jesus in us and we will be enabled to fulfill the great commission. **(1Pet.4:1) Forasmuch then as Christ suffered in the flesh, arm ye yourselves also with the same mind; for he that hath suffered in the flesh hath ceased from sin; (2) that ye no longer should live the rest of your time in flesh to the lusts of men, but to the will of God.**

In the days when God's people were ruled over by the Roman beast it was written: **(Rom.13:1) Let every soul be in subjection to the higher powers: for there is no power but of God; and the [powers] that be are ordained of God. (2) Therefore he that resisteth the power, withstandeth the ordinance of God: and they that withstand shall receive to themselves judgment.** Though Christians are forbidden to take the mark and image of the beast, they are also forbidden to take up arms against secular nations over them. This puts the people of God in a position of weakness like Jesus when He submitted to His cross instead of fighting.

(Note: Some falsely say that the U.S. is not typed in Scriptures. In Revelation, we see that Babylon is the Queen of the world, an end-time world superpower, a very rich nation that trades with the whole world. Both Revelation and Daniel say it is the head of all the nations and was called the "great eagle" in Ezekiel 17. Jeremiah 25 shows that it will bring destruction to the Middle East and then fall in what appears to be a nuclear attack from the nations. Revelation 18 says this will be in one hour of one day. Who, with common sense, would not see that this ancient eagle that was conquered by the bear is not a type of the U.S.?)

Using Babylon and her king as a type of the U.S. and her President, God warned his people to submit to her as far as secular matters go. **(Jer.27:5) I have made the earth, the men and the beasts that are upon the face of the earth, by my great power and by my outstretched arm; and I give it unto whom it seemeth right unto me. (6) And now have I given all these lands into the hand of Nebuchadnezzar the king of Babylon, my servant.... (7) And all the nations shall serve him.... (8) And it shall come to pass, that the nation and the kingdom which will not serve the same Nebuchadnezzar king of Babylon, and that will not put their neck under the yoke of the king of Babylon, that nation will I punish, saith the Lord, with the sword, and with the famine, and with the pestilence, until I have consumed them by his hand. (9) But as for you (Christians), hearken ye not to your prophets, nor to your diviners, nor to your dreams, nor to your soothsayers, nor to your sorcerers, that speak unto you, saying, Ye shall not serve the king of Babylon: (10) for they prophesy a lie unto you, to remove you far from your land, and that I should drive you out, and ye should perish.... (12) And I spake to Zedekiah king of Judah according to all these words, saying, Bring your necks under the yoke of the king of Babylon, and serve him and his people, and live. (13) Why will ye die, thou and thy people, by the sword, by the famine, and by the pestilence, as the Lord hath spoken concerning the nation that will not serve the king of Babylon? (14) And hearken not unto the words of the prophets that speak unto you, saying, Ye shall not serve the king of Babylon; for they prophesy a lie unto you. (15) For I have not sent them, saith the Lord, but they prophesy falsely in my name; that I may drive you out, and that ye may perish, ye, and the prophets that prophesy unto you.** Fear this warning and do not listen to false prophets who come as patriots to stir up Christians to rebel against this country. Those who do, God will destroy by the hand of this government. In this way God will cleanse His body of those that refuse to obey and go to their cross. Here is a portion of a vision and prophecy through Chuck Youngbrandt:

Those who are rebellious against God will rebel against the government, including the communist's fifth columnists we have here. Military troops will have to be called out as a result. Some will repent but many will continue in rebellion. God said 90% of the rebellious and disobedient church people will die during this time.

Jesus said, **"Love your enemies,"** not shoot them, and **"turn the other cheek,"** not make war on them. That's what those concentration camps are for, friends. They are expecting and waiting for Christians to **"take the sword."** Our Lord said, **"All they that take the sword shall perish with the sword."** I am certainly not excusing the government's actions in any of this but if David Koresh had not broken God's covenant and stored up that arsenal with the intent to use it against the government, he and his followers would still be alive. Bear witness that God did not defend them.

God will bring the U.S. against His people and their apostate leaders because they have ignored His covenant. **(Hos.8:1) [Set] the trumpet to thy mouth. As an eagle [he cometh] against the house of the Lord, because they have transgressed my covenant, and trespassed against my law. (2) They shall cry unto me, My God, we Israel know thee. (3) Israel hath cast off that which is good: the enemy shall pursue him. (4) They have set up kings, but not by me; they have made princes, and I knew it not: of their silver and their gold have they made them idols, that they may be cut off.** In the days of Jesus we see this same type in these days. The apostate people of God were in bondage to the Roman beast for their rebellion against the Word. These stiff-necked people of God were in constant revolution against the Romans and paying a great penalty for it. **(Mk.15:6) Now at the feast he used to release unto them one prisoner, whom they asked of him. (7) And there was one called Barabbas, [lying] bound with them that had made insurrection (revolution), men who in the insurrection had committed murder. (8) And the multitude went up and began to ask him [to do] as he was wont to do unto them. (9) And Pilate answered them, saying, Will ye that I release unto you the King of the Jews? (10) For he perceived that for envy the chief priests had delivered him up. (11) But the chief priests stirred up the multitude, that he should rather release Barabbas unto them. (Jn.18:40) They cried out therefore again, saying, Not this man, but Barabbas.**

Now Barabbas was a robber. Notice that Barabbas and many with him were in prison for making a revolution against the Romans. Jesus suffered in the place of this Jewish patriot. In like manner the true body of Christ will suffer innocently because of "Christian" patriots who will revolt against the U.S./U.N. beast. In another type, Barabbas was chosen out of all the Jews that were in prison with him to be released. Barabbas means "son of the father." Because Jesus went to the cross, a remnant of these people who truly are "sons of the Father" will be forgiven and saved. Militant patriots do not understand what the Holy Spirit showed in this text, that killing Romans or Americans is **"murder"** and that those who steal from them are **"robbers."**

Remember, God did not defend almost 1000 very religious patriots whom the Romans destroyed. In 66 A.D. when the Jews rebelled against the Romans, they captured this mountain 1000 meters above the Judean wilderness. In a well-supplied, seemingly impregnable fortress, the Jews attempted for seven years to hold out against the Roman beast. In a clear type, all but a remnant of seven committed suicide and brought an end to the worldly state of Israel. "Christian" rebels in our day will, in effect, commit suicide by fighting against the beast and bring an end to the worldly state of the Church. The Timothy McVeigh's of this world are not patriots in God's kingdom. The real heroes are those who leave worldly governments up to God and choose their cross over rebelling against His Word.

Like Jesus, Paul gives us a type of how innocent Christians in our day will be falsely accused as rebels and imprisoned or killed. In Acts 21:38, a chief captain said to him, ***“Art thou not then the Egyptian, who before these days stirred up to sedition and led out into the wilderness the four thousand men of the Assassins?”*** Notice once again that an Egyptian, representing the old carnal man, was leading Jews to kill Romans. The “Christians” who are led of the old man today will fight against the U.S./U.N. beast. God will not tolerate those who call themselves patriots in order to rebel against this government and His Word. ***(Rom.13:1) Let every soul be in subjection to the higher powers: for there is no power but of God.... (2) Therefore he that resisteth the power, withstandeth the ordinance of God: and they that withstand shall receive to themselves judgment.*** Jesus gave us permission to “flee” like sheep before the wolves, but not to fight in the flesh as wolves. ***(Mt.10:16) Behold, I send you forth as sheep in the midst of wolves: be ye therefore wise as serpents, and harmless as doves.*** ***(23) But when they persecute you in this city, flee into the next: for verily I say unto you, Ye shall not have gone through the cities of Israel, till the Son of man be come.*** Notice that this persecution will spread the Word through the cities of God’s people and He will come. Praise His Name!

While the carnal people of God were having their revolution against the government, Jesus and the disciples were having a spiritual revolution against them. Jesus said, ***“Think not that I came to send peace on the earth: I came not to send peace, but a sword (the Word). For I came to set a man at variance against his father, and the daughter against her mother, and the daughter in law against her mother in law: and a man’s foes [shall be] they of his own household”*** ***(Mt.10:34-36)***. Tertullus, speaking against Paul’s revolution, said, ***“For we have found this man a pestilent fellow, and a mover of insurrections (revolutions) among all the Jews throughout the world, and a ringleader of the sect of the Nazarenes”*** ***(Acts 24:5)***. Jesus and Paul’s revolution was to use the Word to separate the chosen from the carnal church. Neither of them had anything to do with wrestling with a flesh and blood beast system. That was the harlot’s revolution. We are to be patriots of the Lord’s kingdom, not the U.S. Like Jesus, ***“My kingdom is not of this world.”***

Because they would not obey Jesus, the Jews were led by their deceiving leadership to their own destruction and that of their city in 70 A.D. This was also the cause of its destruction in other times. ***(Ezra 4:19) And I decreed, and search hath been made, and it is found that this city of old time hath made insurrection against kings, and that rebellion and sedition have been made therein. (5:12) But after that our fathers had provoked the God of heaven unto wrath, he gave them into the hand of Nebuchadnezzar king of Babylon, the Chaldean, who destroyed this house, and carried the people away into Babylon.*** Every beast kingdom was raised up by God to chasten and bring into bondage and crucifixion His rebellious people and so it will be with the Babylon of our day. Our warfare is not with flesh and blood men but with the demon principalities and powers that rule them (Eph.6:12). ***(Mt.5:38) Ye have heard that it was said, An eye for an eye, and a tooth for a tooth: (39) but I say unto you, Resist not him that is evil: but whosoever smiteth thee on thy right cheek, turn to him the other also. (Jas.4:7)...resist the devil, and he will flee from you.***

Many will fight to keep from going into captivity but only God determines if one needs this for their maturing. ***(Rev.13:9) If any man hath an ear, let him hear. (10) If any man [is] for captivity, into captivity he goeth: if any man shall kill with the sword, with the sword must he be***

killed. Here is the patience and the faith of the saints. Only God gives authority to the beast to bring His people into bondage or death. M. Cox relates a dream he had concerning these principles.

I had a dream so real that every time I think about it, it becomes more vivid just as if I was there. I was sleeping in our small farm house with a few other people one night. Sometime in the dead of the night all of a sudden I heard the thunderous boom of these military helicopters and airplanes. Then this helicopter landed right beside our house. All the occupants of our house were rounded up and taken away by the helicopter, probably to prison work farms. I was just standing there amazed, thinking these people never resisted, or tried to run away. And they all acted like I wasn't there. I thought that they had forgotten me. Soon after they left, another helicopter came. They were probably told that they had forgotten one of the occupants. I was naturally scared so I hid under the bed, shaking like a leaf with my legs sticking out. The soldiers didn't have any U.N. symbol but were probably a makeshift multi-national army. A black and a white soldier had yellow torches and M-16 machine guns with them. They were looking and thrashing everywhere trying to look for me. The black soldier was looking under the bed I was under. The funny thing was I was right in front of him with my feet sticking out but it appeared he couldn't see me. Suddenly, it dawned on me that I was invisible to the soldiers. They couldn't see me. After awhile, the soldiers left frustrated at not being able to find me. I must say that the fear and terror of the situation was unbelievable. A few days later this helicopter came and sprayed this chemical and the surrounding place turned all brown. They probably had been given orders to let no survivors that they couldn't find live. Anyway, even before they sprayed I noticed that the surrounding vegetation looked brownish, maybe from nuclear fallout. Miraculously, with all this happening I was still alive and the dream ended there.

Notice that God's people did not resist and only those who needed captivity were taken. We should not put it beyond God's ability to supernaturally hide those who do not need more crucifixion. If He could translate me halfway around the world, He can certainly make us invisible to the enemy. Bob Aicardi also had a dream like this.

I found myself cautiously walking the floors of a very large government building, which was occupied by foreign troops, and I knew that as an American I was not supposed to be there. I was noticed by a worker, who set off an intruder alert. Down the corridor the entrance doors slammed shut and locked. As I walked up to the doors they opened and I passed through to escape. Once outside, perimeter guards were alerted and were all about. I walked through them as invisible and saw another man doing the same thing. I said to him, "Isn't the blood of Jesus wonderful?"

We see that not only can God protect those who are mature but He can also give rest to those who need to submit to their cross. **(Jn.19:11) Jesus answered him, Thou wouldest have no power against me, except it were given thee from above.** Like our Lord, we are to receive everything as from God and leave retaliation up to Him. **(Rom.12:17) Render to no man evil for evil. Take thought for things honorable in the sight of all men. (18) If it be possible, as much as in you lieth, be at peace with all men. (19) Avenge not yourselves, beloved, but give place unto the wrath [of God]: for it is written, Vengeance belongeth unto me; I will recompense, saith the Lord. (20) But if thine enemy hunger, feed him; if he thirst, give him to drink: for in so doing thou shalt heap coals of fire upon his head. (21) Be not overcome of evil, but overcome evil**

with good. Our old man wants to live by defending self and retaliating, but our obedience to these commands crucifies that carnal nature in us.

Satan seeks through well-meaning people to keep us from this cross. **(Mt.16:21) From that time began Jesus to show unto his disciples, that he must go unto Jerusalem, and suffer many things of the elders and chief priests and scribes, and be killed, and the third day be raised up. (22) And Peter took him, and began to rebuke him, saying, Be it far from thee, Lord: this shall never be unto thee. (23) But he turned, and said unto Peter, Get thee behind me, Satan: thou art a stumbling-block unto me: for thou mindest not the things of God, but the things of men.** Notice that Peter, by the spirit of Satan was a stumbling block by trying to dissuade Jesus from going to His cross. Peter later took the sword, to try to enforce his way and again met with rebuke. **(24) Then said Jesus unto his disciples, If any man would come after me, let him deny himself, and take up his cross, and follow me. (25) For whosoever would save his life shall lose it: and whosoever shall lose his life for my sake shall find it.** Even when we are at our best, the hidden carnal nature must be crucified. **(1Pet.2:20) For what glory is it, if, when ye sin, and are buffeted [for it], ye shall take it patiently? but if, when ye do well, and suffer [for it], ye shall take it patiently, this is acceptable with God. (21) For hereunto were ye called: because Christ also suffered for you, leaving you an example, that ye should follow his steps: (22) who did no sin, neither was guile found in his mouth: (23) who, when he was reviled, reviled not again; when he suffered, threatened not; but committed [himself] to him that judgeth righteously.** What could be clearer? We are to follow in Jesus' steps by cooperating with God's process of using the harlot religious system and the beast kingdom to bring us to the cross.

We are not to resist them by force. The laws of our kingdom do not permit us to fight in the flesh to escape captivity. **(Jn.18:36) Jesus answered, My kingdom is not of this world: if my kingdom were of this world, then would my servants fight, that I should not be delivered to the Jews: but now is my kingdom not from hence.** In the days leading up to a civil war in the midst of the One World Order, many will stand up against the U.S. as the king of the South. Included among these are some of God's people who will try to impose their vision of the kingdom of God in the U.S. by violent methods, but they will be killed. **(Dan.11:14) And in those times there shall many stand up against the king of the south: also the children of the violent among thy people shall lift themselves up to establish the vision; but they shall fall.** God will not permit fleshly methods to have any success so that His people learn to walk in the Spirit. **(12:7)...[I]t shall be for a time, times, and a half; and when they have made an end of breaking in pieces the power of** (self in) **the holy people, all these things shall be finished.** Notice that our temptation to use our own power must be crucified. **(Zech.4:6)...Not by (our) might, nor by (our) power, but by my Spirit, saith Lord of hosts.** War is of the world and is motivated by lust, not God. **(Jas.4:1) Whence [come] wars and whence [come] fightings among you? [come they] not hence, [even] of your pleasures that war in your members? (2) Ye lust, and have not: ye kill, and covet, and cannot obtain: ye fight and war; ye have not, because ye ask not.** Those who join with the world to make war on their enemies are enemies of the cross and of God. **(4) Ye adulteresses, know ye not that the friendship of the world is enmity with God? Whosoever therefore would be a friend of the world maketh himself an enemy of God.**

Those who preach peace and safety, and refuse to cooperate with God in this process of falling to the earth to die will be cut off. **(Amos 9:8) Behold, the eyes of the Lord are upon the sinful**

kingdom, and I will destroy it from off the face of the earth; save that I will not utterly destroy the house of Jacob, saith the Lord. (9) For, lo, I will command, and I will sift the house of Israel among all the nations, like as [grain] is sifted in a sieve, yet shall not the least kernel fall upon the earth. (10) All the sinners of my people shall die by the sword, who say, The evil shall not overtake nor meet us. We are coming to the same tribulation days of sifting as it was with Peter. **(Lk.22:31) Simon, Simon, behold, Satan asked to have you, that he might sift you as wheat: (32) but I made supplication for thee, that thy faith fail not.** Even though Peter initially denied the Lord, he got back up and became a strong leader who gave his old life. Satan is ordained of the Lord to sift the disciples to get the husk that is his, so that God may have the pure fruit of Christ. Here is a prophecy through Thomas S. Gibson that relates the persecution the U.S. will bring against Christianity to separate the true saints from the tares.

Thus says the Lord, repent and listen to the Word of God. Note that there shall be persecutions arising in all places, throughout the U.S. and Canada, and through Europe. These nations shall rise up in persecutions against My people. It shall purge the Church. Those of Mine, that are truly Mine, who walk in power and are committed to Me, they shall stand in this persecution no matter what it brings. But listen to Me, and heed Me. For thus saith the Lord, I am God, and I am allowing this, for it shall purge My Church. For there are many that shall quickly deny Me, shall quickly deny the truth, quickly revert to a world religion, shall quickly deny the power of the Word; they deny the truth of the Word. They shall quickly deny many things, and they shall become politically correct for the day and the age that they live. For they do not want to be in persecutions and they do not want to stand against the world. They love the world, and they are part of the world, and they were never part of Me. But they have a form of Godliness in the Church, and they were in the Church, shining as Christians and looking as Christians in outward appearance, but in their heart they were not of Me. This shall purge the Church and bring to pass what I have said; I will separate the sheep from the goats; that is, My people from the world.

God is sovereign in the happenings of history in order to show us what will happen in the latter days, for, **“That which hath been is that which shall be.”** In the time of the tribulation of Christ’s day, Rome had swallowed up the people of God. Through Babylon’s type we see that the U.S. will swallow up the people of God before her fall. **(Jer.51:34) Nebuchadrezzar the king of Babylon hath devoured me, he hath crushed me, he hath made me an empty vessel, he hath, like a monster, swallowed me up, he hath filled his maw with my delicacies; he hath cast me out. (35) The violence done to me and to my flesh be upon Babylon, shall the inhabitant of Zion say; and, My blood be upon the inhabitants of Chaldea, shall Jerusalem say.** Because the U.S. will try to save herself by sacrificing God’s lambs on the altar of religious unity and political correctness, God will take vengeance on her. **(36) Therefore thus saith the Lord: Behold, I will plead thy cause, and take vengeance for thee; and I will dry up her sea, and make her fountain dry. (37) And Babylon shall become heaps, a dwelling-place for jackals, an astonishment, and a hissing, without inhabitant. ... (41) How is Sheshach taken! and the praise of the whole earth seized! how is Babylon become a desolation among the nations! (42) The sea (of men) is come up upon Babylon; she is covered with the multitude of the waves thereof. (43) Her cities are become a desolation.**

THE MILITANT APOSTATES REBEL

(excerpt from [Hidden Manna For the End Times](#))

God is raising up this beast kingdom to crucify us as their forefathers crucified our Master. At the same time, the beast will purge Christianity of those who refuse to go to their cross of death to self. At first you may think I am wrong about this but if you will bear with me you will be overwhelmed with proof from God's Word. Christians constantly send me e-mails about the conspiracies of the government and the leaders. Most of this is "he said that she said" stuff with no real proof. Unsubstantiated accusations are just gossip and forbidden by God's Word. According to Law no one can be accused without two or three witnesses. Witnesses see and know personally. We shouldn't accept accusations against a government or person without witnesses, earthly or heavenly. The devil is being permitted by God to stir up conspiracy theories so that paranoid, disobedient Christians will fight this government and be destroyed. The Lord said to me, *"Spirits of paranoia will stir up Christians to fight against this country. In this way I will cleanse my Church of those that refuse to obey and go to their cross."*

Conspiracy theorists are the prime spreaders of this paranoia. ***(Isa.8:11) For the Lord spake thus to me with a strong hand, and instructed me not to walk in the way of this people, saying, (12) Say ye not, A conspiracy, concerning all whereof this people shall say, A conspiracy; neither fear ye their fear, nor be in dread [thereof]. (13) The Lord of hosts, him shall ye sanctify; and let him be your fear, and let him be your dread.***

You ask, "But David, what about the Illuminati conspiracy that has taken over our government to bring war and the New World Order?" Fear ***"him who worketh all things after the counsel of His will" (Eph.1:11)***. The Illuminati are nothing without God's permission. They and many others like them are sent by God to deceive those who do not love truth and to judge those who need it. Therefore, we are to permit them to cleanse the body. ***(2Thes.2:9) [even he,]whose coming is according to the working of Satan with all power and signs and lying wonders, (10) and with all deceit of unrighteousness for them that perish; because they received not the love of the truth, that they might be saved. (11) And for this cause God sendeth them a working of error, that they should believe a lie: (12) that they all might be judged who believed not the truth, but had pleasure in unrighteousness. "[T]he lowest of men"*** are raised up to lead the beast to crucify rebellious Christians. We need them. ***(Pr.16:4) The Lord hath made everything for its own end*** (Hebrew: His own purpose); ***Yea, even the wicked for the day of evil.***

Some say, "But I know some of these conspiracies are real." I do, too, but the flesh is stirred up to fight when we think on the conspiracies, rather than the promises and the way of the cross. We are taught to study Truth rather than the evil in conspiracies because Truth has power unto Godliness, which delivers from evil. ***(Rom.16:19)....I would have you wise unto that which is good, and simple unto that which is evil.*** Those who are taught to recognize counterfeit bills don't study counterfeits because there are too many

possibilities. They study the real bills. That way they can recognize all counterfeits. The Word gives us eyes to see all errors. Some waste all their time studying evil governments.

All secular governments are evil just as the one in Jesus' day but He stuck to the business of the Father, taught the Word, and let patriots like Barabbas fight with flesh and blood to their own destruction. I also know that this government will persecute and crucify the saints when the time comes. I say with Jesus, ***"Not my will, but thine be done"***. If we are not willing to give up our carnal life in order to be obedient to the Word, then we will not be counted worthy of a heavenly life. Any who stir up God's people to take the sword will be guilty of their blood when they die by the sword, as the Word says will surely happen. Antichristian militant "Christians" will not stand for their rights being taken away and will fight against their governments. What do you think they will do when world law is imposed and the mark of the beast is inevitable? Civil war. States are seeing their Constitutional authority undermined by the socialistic moves of the Obama administration. Also, a litany of leftist, global U.N. treaties that were resisted by more conservative administrations are waiting in the wings to give sovereignty to the U.N. beast over families, women, children, opposing free trade, opposing democracy and Christian freedom, bringing intrusive emissions laws, etc. Obama is just the man to open the flood gates. Seeing these coming threats, conservatives in the states are flocking to introduce resolutions declaring State sovereignty as per the Ninth and Tenth Amendment to the Constitution. This is an omen of coming division in the country. Conservatives, including many of God's people, have already considered armed rebellion against the U.S. government at least as far back as 2000. The Bush/Gore presidential voting fraud fiasco revealed the underlying dangerous polarization between conservatives and liberals. Radio talk shows were abuzz. Ammunition sales rose significantly as did talk of civil insurrection and state secession. Much of this was by conservatives. Congressmen were openly warning of civil violence. Ammunition and gun sales began to get worse when the Obama team immediately took the country in a sharp left turn.

Clearly, the fear of where we are going and the conspiracy theories are corrupting people's minds and taking away their peace. Whether you agree with their militant thinking or not, all Christians will be blamed for these excesses. The liberal news media will gladly continue to sway popular opinion against their historic enemy, the conservative Christians. Left wing "Christianity" will, of course, join in this attack proclaiming to be the true heirs of Christ, while they sleep with the beast in their politically-correct tolerance of other faiths. What happened to the Jews in WWII will happen to the Christians and, ultimately, what happened to Germany will happen to the U.S.. The U.S. will become more antichrist and increasingly hate, persecute, kill, and bring God's carnal people into bondage.

Ezekiel, as a type of the Man-child, prophesied that the apostate leadership of God's people would be brought into bondage by the ***"great eagle"***, as a type of the U.S. He also saw and warned that part of that leadership would lead part of God's people to rebel against the ***"great eagle"*** to their own destruction. ***(Ezk.17:2) Son of man...speak a parable unto the house of Israel; (3)...A great eagle with great wings...came unto Lebanon, and took the top of the cedar:*** (God's people were likened in Scripture to the tall cedar evergreens of Lebanon because of their properties of eternal life.) ***(4) he cropped off the topmost of the young twigs thereof*** (the immature leadership of Christianity), ***and carried it unto a land of traffic*** (Babylon/U.S.); ***he set it in a city of merchants*** (U.N. in New York).

The top recognized leadership of Christianity along with leadership of other religions will be given a position of authority as a corporate false prophet over the United Religions harlot. ***(5) He took also of the seed of the***

land (God's people), **and planted it in a fruitful soil; he placed it beside many waters....** God's people will be put "**beside many waters**", which are the peoples of the world depicted by the "**many waters**" that the harlot sits upon in Revelation 17:1,15. Therefore the people of God, righteous or apostate, will be put under the authority of the harlot as it was in Jesus' day. **(6) And it grew, and became a spreading vine of low stature** (the harlot cannot overcome to lift herself from the earth), **whose branches turned toward him, and the roots thereof were under him: so it became a vine.** The false prophet leadership of the harlot will rule with the ten kings as the little horn among the ten horns in the U.N. beast under the "**great eagle**", the U.S.

The Lord confirms this interpretation in the text. **(12) Say now to the rebellious house... Behold, the king of Babylon came to Jerusalem, and took the king thereof, and the princes thereof, and brought them to him to Babylon.** The nations with the U.S. "**great eagle**" at the head will confirm a covenant with this false prophet leadership of God's New Testament people, uniting them with the false religions in the U.N. in New York. **(13) And he took of the seed royal, and made a covenant with him; he also brought him under an oath, and took away the mighty of the land.** Notice in these verses that the king and all of the princes of Israel were called "**him**" meaning they are a corporate False Prophet. This covenant will be hidden from the apostates and their leaders. They will fulfill the type of the Jews in Jesus' day, who didn't realize that they had made a covenant with the beast to crucify the saints. To keep the peace, the Roman beast gave the apostates authority over the saints. History repeats. The strong delusion of the letter of the Word has already convinced the false leadership of Christianity of a fairytale covenant between a man called the antichrist and the letter Jews.

Meanwhile the real covenant will be fulfilled in the spirit under their noses. To them this could not be the covenant because they have not yet been raptured and their antichrist hasn't shown up. This covenant with the beast will make God's apostate people preach an even more impotent gospel, because it is a covenant of tolerance for all false religions and all sinners in a vain effort to bring peace to the world. **(14) [T]hat the kingdom might be base, that it might not lift itself up, but that by keeping his covenant it might stand.** The apostates will be permitted to stand in the world as the base kingdom of the religious harlot.

We just saw the word "**covenant**" mentioned in verses thirteen and fourteen. It was at this point in my revelation that the Spirit said to me, "**From the first mention of the word 'covenant' in verse thirteen count. How many verses does the word 'covenant' cover?**" Thirteen is the number in Scripture that stands for apostasy and rebellion. Including verse thirteen, the word "**covenant**" covers seven verses (13-19). I was impressed that this represents the seven years of the covenant of the beast in the Tribulation. Then I heard, "**How many times is the word 'covenant' spoken in those verses?**" "**Covenant**" is mentioned six times in these seven verses. Six is the number of man and of the beast. As we saw, the sixth book, sixth chapter, sixth verse and sixth word of the New Testament is "**man**" (Rom.6:6).

It was at this point the Spirit directed me to count, "How many verses before the "**covenant**" is broken?" In the "**midst**" of the fourth verse the words "**covenant he brake**" are spoken. **(16) As I live, saith the Lord, surely in the place where the king dwelleth that made him king, whose oath he despised, and whose covenant he** (apostate leadership) **brake, even with him in the midst of Babylon he shall die.** This also is in the "**midst of the seven**" verses, which is a quote from the Hebrew in Daniel 9:27. "**And he shall make a firm covenant with many for one seven: and in the midst of the seven** (Hebrew) **he** (beast) **shall cause the sacrifice and the oblation to cease.**" Notice in these two verses that the apostate rebel leadership

of God's people will break the covenant so the beast will cause the "**sacrifice**" to cease. At the time when the crowns of authority will be taken from the seven heads and given to the ten horns, the beast will make the mark compulsive. This will be a vain attempt to enforce peace by identifying those who are in covenant with the beast and those who are enemies and/or commit crimes. This will cause both true Christians and militants to be enemies of the state. The U.S. already has created the literal mark and is exporting it to the world. The U.S. will use their persuasion over the beast kingdom to make the mark compulsive in the midst of the Tribulation. Many apostate Christians will take it and become reprobated. What is left of their life of submitting their "**bodies a livingsacrifice, holy, acceptable to God**" will cease as an "**abomination that maketh desolate**".

In this same text we see the nature of this rebellion which breaks the covenant of peace. **(15) But he rebelled against him in sending his ambassadors into Egypt, that they might give him horses and much people. Shall he prosper? shall he escape that doeth such things? shall he break the covenant, and yet escape?** This covenant is broken when the rebellious people of God, who were told by God to submit to Babylon, as we shall see, instead went to another "**great eagle with great wings**", Egypt, for strength to fight with arms against her. **(Ezk.17:7) There was also another great eagle with great wings and...this vine did bend its roots toward him.**

Notice that the same terminology is given to describe a second eagle. This is because both of these great eagles represent the U.S. Foolish Christians in the U.S. will go down to Egypt to fight with her when they see their rights being taken away or, for some, when they see the mark coming. What does Egypt represent? God's people came out of Egypt and were baptized in the Red Sea where the Egyptians, representing the old man, died. To go back to Egypt spiritually is to trust in the strength of the old man, the arm of the flesh. **(Isa.30:1) Woe to the rebellious children, saith the Lord, that take counsel, but not of me; and that make a league, but not of my Spirit, that they may add sin to sin, (2) that set out to go down into Egypt, and have not asked at my mouth; to strengthen themselves in the strength of Pharaoh, and to take refuge in the shadow of Egypt! (3) Therefore shall the strength of Pharaoh be your shame, and the refuge in the shadow of Egypt your confusion.**

Some of God's foolish people with a conservative patriotic faction of this nation will take up arms to fight against it. This pits the "**great eagle**" against the "**great eagle**", or civil war. God asked the question in our seven verse text: "**shall he break the covenant, and yet escape**" **(Ezk.17:15)?** God's answer to this question is that these rebels will be crushed: **(17) Neither shall Pharaoh with his mighty army and great company help him in the war.... (18) For he hath despised the oath by breaking the covenant; and behold, he had given his hand, and yet hath done all these things; he shall not escape.... (21) And all his fugitives in all his bands shall fall by the sword, and they that remain shall be scattered toward every wind: and ye shall know that I, the Lord, have spoken it.**

When Peter used the sword to keep Jesus from going to the cross, He said, "**[A]ll they that take the sword shall perish with the sword**" **(Mt.26:52)**. Even though the true saints will not obey the religious aspects of this peace covenant, they will not take "**the sword**" of man and break their covenant with God as the apostates and their leadership will. The last of the seven verses says this. **(19) Therefore thus saith the Lord: As I live, surely mine oath that he hath despised, and my covenant that he hath broken, I will even bring it upon his own head.** The righteous will keep God's covenant even if it costs them their physical life but the self-willed will rebel.

After bringing apostate Israel as a type of the Christians under his dominion in the beginning of what we would call the tribulation, Nebuchadnezzar appointed the Zedekiah administration to rule over them. This is the "he" above who rebelled with a large portion of Israel. Jeremiah, who represented the Man-child, prophesied against these apostate rebels in the parable of the two baskets of figs. ***(Jer.24:8) And as the bad figs, which cannot be eaten, they are so bad, surely thus saith the Lord, So will I give up Zedekiah the king of Judah, and his princes, and the residue of Jerusalem, that remain in this land, and them that dwell in the land of Egypt, (9) I will even give them up to be tossed to and fro among all the kingdoms of the earth for evil; to be a reproach and a proverb, a taunt and a curse, in all places whither I shall drive them. (10) And I will send the sword, the famine, and the pestilence, among them, till they be consumed from off the land that I gave unto them and to their fathers.***

On the other, hand those who submitted to the Word of the Lord through the Man-child Jeremiah were the blessed of the Lord. ***(24:4) And the word of the Lord came unto me, saying, (5) Thus saith the Lord, the God of Israel: Like these good figs, so will I regard the captives of Judah, whom I have sent out of this place into the land of the Chaldeans, for good.*** (Notice that this captivity is going to be "for good" to the "good figs" who obey the Word and refuse to rebel.) ***(6) For I will set mine eyes upon them for good, and I will bring them again to this land*** (Notice Father will bring them to the New Jerusalem and land because Nebuchadnezzar had destroyed the former apostate Jerusalem and land.): ***and I will build them, and not pull them down; and I will plant them, and not pluck them up. (7) And I will give them a heart to know me, that I am the Lord: and they shall be my people, and I will be their God; for they shall return unto me with their whole heart.***

All we have to do is replace the church in the Ezekiel 17 parable of civil rebellion above with natural Israel and we see another more natural interpretation, which is being attempted now. The U.S., which is at the head of the nations, is pushing Israel hard to give up land and make a covenant with the nations around them. Israel's natural ally in the United States is the apostate Christians and Jews who militantly support her. Since this ultimately will be a political and religious covenant both of these interpretations are coming to pass at the same time. It is certainly true that the beast is forcing both Israel and the Christians to give up their land now. Beastly laws are forcing Christians out of the moral ground that they have held on issues such as abortion, sexuality, schooling, displays of Christian heritage, etc. In the U.S., this holy ground has been held since the more Christian times of the founding fathers. Eventually Israel and the apostate Christians will rebel against this covenant and turn to the militant arm of flesh represented by the great eagle of Egypt. Then they will both find themselves a burdensome stone that have something in common; the ire of the nations. Perhaps this is God's plan to infuse more Christian influence into Israel so that the elect among them will be saved and come out.

"Live by the sword, die by the sword" is a saying of Jesus quoted in the Bible, to the effect that if you use violence, or other harsh means, against other people, you can expect to have those same means used against you; "You can expect to become a victim of whatever means you use to get what you want."

The saying comes from the [Gospel of Matthew](#), verse 26:52, which describes a [disciple](#) (identified in the [Gospel of John](#) as [Simon Peter](#)) who draws a sword to defend against the [arrest of Jesus](#) in the [Garden of Gethsemane](#), but is rebuked by Jesus, who tells him to sheath the weapon:

"Then said Jesus unto him, Put up again thy sword into his place: for all they that take the sword shall perish with the sword" (Holy Bible, Matthew 26:52, King James Version)
